

Well it's that time of year again. It was early October, 2011 that I put out the word that regular weekly Go would be returning to New York City. We have been going strong at the Hungarian Pastry Shop ever since, regularly getting between 12 and 20 players every week. On top of that:

- We had a very successful first **Gotham Go Tournament** last January with nearly 60 players.
- And another coming up in October! To register go to:  
<http://www.peterarmenia.com/GothamGoTournament.html>
- And the **US Go Congress** is coming to NYC next year!

One thing I did that October is register with the **American Go Association** as an AGA affiliated club. Not only does this help our club get noticed, it also supports Go in the United States. It only costs \$35/year for our club, which I pay out of pocket (small donations from members are certainly welcome but not required).

If you are a lapsed member of the AGA I urge you to renew today at <http://www.usgo.org/join-aga-today>.

If you have never have been a member of the AGA I urge you to take advantage of a **special half price offer** they have through our chapter. This is a special discount offered through our chapter club (the Gotham Go Group). **Note:** If you want to get this discount, send me an email and I will email you the discount voucher to use on the AGA website.

And remember, to play in the upcoming tournament you need to be a member of the AGA, so join today.
