Resolved, that the By-laws attached hereto as Exhibit A are hereby approved as the By-laws of the Corporation.

In order to give the operations of the former, unincorporated American Go Association correct legal form and status under the new American Go Association, Inc., it is resolved that:

1. For the purposes of managing the Corporation, the U.S. is divided into three geographical Regions, namely Eastern, Central, and Western, with an elected representative from each who serves as Vice President. Chapters may request changes in their affiliation and shall be notified if their affiliation is changed.

1. For the purpose of managing the Corporation, AGA chapters and members are divided into three geographic regions: Eastern, Central, and Western.

b. The Central Region includes the following states and territories: WV, IA, AR, OH, IL, IN, MI, WI, MN, ND, SD, MT, ID, WY, CO, NV, NB, TN, OK, KS, UT, MO, MS, LA, AL, TX, NM, KY, and AZ.

c. The Western Region includes the following states and/or territories: WA, OR, CA, AK, HI, and Guam.

d. The Board of Directors shall develop policy and guidelines for AGA international membership, procedural and operational issues, e.g. enfranchisement through chapter representation.

Rationale: For voting purposes, the regions must be defined. Also, unless the by-laws specifically restrict international members from voting, their voting rights, as full members, should be addressed by the Board. From an admin viewpoint, this clarifies the chain of responsibility for new Directors and Officers.
The Board of Directors, with the consent of the Chapter Representatives Assembly, may modify the regional structure.

2. The following individuals hereby are elected to the offices set forth opposite their names to serve until their successors are elected and qualify:

- President: Phil Straus
- Vice President: Western Ernest Brown
- Vice President: Eastern Chen-Dao Lin
- Vice President: Central Roger White

The President and one Regional Vice President from each Region in the U.S. shall be elected by a weighted vote of Chapters. The President's term shall begin January 1 of odd numbered years, the Vice Presidents' terms on January 1 of even numbered years.

2. The AGA Board of Directors shall be an elected body. All AGA officer and committee chair positions are to be filled through appointments by the Board.

Increases Board of Directors accountability through new election process.

3. Standing Committees. The Board of Directors shall establish standing committees to carry out the purposes and functions of the Corporation, and the membership of each committee shall be filled by appointment of the Board, or by the President, if delegated by the Board.

3. When the Board of Directors moves to fill a vacancy among Elected Officers, if the remaining term to be filled is greater than one year, a special election shall be held. In any election for President, the candidates shall provide a statement in writing: that they have read the AGA By-Laws, and that they are now and have been full AGA Members and residents of the U.S. (Region in the case of Regional Vice President) for at least one year, and either a) have been an officer for at least one year, or b) present a petition representing 1/3 of the weighted Chapter votes.

4. The Board of Directors shall fill any vacancy among appointed officers if the remaining term to be filled is greater than one year, except in the case of the President's position, which should be filled if the remaining term is more than six months. All potential candidates shall provide a statement in writing that they have read the AGA By-Laws, and that they are now, and have been, full AGA Members and residents of the U.S. (Region in the case of Regional Vice Presidents) for at least one year.

Simplified language to reflect new appointment concept.

Relaxed qualification requirements, opening the positions to a greater number of potentially capable members.
4. For the purposes of authorizing the Corporation to do business in any state, territory or dependency of the United States or any foreign country in which it is necessary or expedient for the Corporation to transact business, the proper officers of the Corporation are hereby authorized to appoint all necessary agents or attorneys for service of process, to designate and change the location of all necessary statutory offices and to make and file all necessary applications, certificates, reports, powers of attorney, and other instruments as may be required by the laws of such state, territory, dependency or country to authorize the Corporation to transact business therein.

The Secretary of the Corporation shall be a member ex-officio. The Executive Committee will act only as advisors to the Assembly and the President; its decisions shall not limit the responsibility of the President. However, if the President and the Executive Committee disagree on any action, the President shall confirm that action with the Board of Directors before proceeding.

7. The Board may establish one or more committees, in addition to the standing committees, if the Board deems that they are necessary to develop, implement, and manage long or short term functions, projects, or plans for the Corporation. Each committee so designated shall have their membership stated by the Board in terms of numbers of members, their required status, if any, and length of terms, and, to the extent provided in an organizational document and not restricted by law, shall have and exercise the authority delegated to them by the Board. Designation of such committees and the delegation thereto of authority shall not operate to relieve the Directors of any responsibility imposed upon them by law. Membership of each committee, unless prescribed by the Board, may include the President and any other AGA members who are deemed suitable by the Board. The Board may delegate authority to the President to form any Committee besides the standing committees. The Board reserves the authority to direct the President to take any lawful and appropriate action regarding the membership or performance of any committee or committee member.

Term of Office. Each member’s term shall be defined in the original act of appointment, but shall not exceed two years in any case. Each member of a committee shall continue in office, unless the committee shall be terminated, or unless such member is removed from such committee, or ceases to qualify as a committee member, or such member resigns with appropriate notice.

**ARTICLE III: Directors**

**Section 1. Powers and Number.** The Board of Directors of the Corporation shall have the power to initiate a vote for recall of any Officer and the responsibility to appoint as quickly as practicable a temporary officer to fill vacancies caused by resignation, removal, or death. The number of Directors constituting the entire Board shall be not less than five nor more than seventeen. If the number of Directors falls below five, the remaining Directors shall elect replacement(s) within 60 days.

**Section 2. Designation and Term of Office.**

Directors may elect new Directors by a majority vote, with the advice and consent of the Assembly of Chapter Representatives, for a maximum term of four years. Alternatively, a petition signed by ten percent of the Individual Members will serve to designate one Director, who may not be recalled except for gross negligence for two years after appointment. After such appointment by petition, the same Members’ signatures on further petitions shall not be used for the purpose of appointing other Directors for a period of two years. Directors shall be at least eighteen years of age and need not be residents of New York State.

**Section 2. Designation and Term of Office.**

a.) Except for the election immediately following adoption of this article, Directors shall be elected individually for a term of two years by weighted vote of Chapter Representatives at the Assembly. Each region shall have two Directors on the Board, and there shall be at least one at-large Director (having no regional affiliation). Regional Directors shall serve staggered terms of two years each, such that one seat is up for election each year. Regional representatives shall be elected only by Chapters within their regions. At-large representatives will be elected by all Chapters.

b.) Each calendar year, nominations shall be made by no later than June 15th. Ballots shall be sent out by no later than July 1st. If there is no US Go Congress or Assembly, the ballots shall be mailed in for counting by no later than August 15th. Directors shall take office on the following January 1st.

For the first election following adoption of this article, the following procedures will apply:

c.) Seven Directors shall be elected by a weighted vote of chapter representatives. These positions shall be filled as follows: two from each region and one at-large position. Starting in January 2003, the top vote getter from each region shall serve a two-year term as a Director. The next top vote getter from each region shall serve a one-year term as a Director. The top vote getter for the at-large position shall serve a two-year term as a Director. Directors shall be at least eighteen years of age and need not be residents of New York State.

d.) In case of a tie between regional

**Chapter weighted voting vs. one-member-one-vote is probably the most controversial issue the Commission faced. The issue was debated at length at the 2001 National Assembly, with an inconclusive result.** *(See minutes of that meeting for details.)*

In the end, the Commission felt that changing both the nature of the Board and the basic voting mechanism would be too much at one time. The Commission believes that weighted chapter voting will work, and the hope is that individual members will become more active as they begin to realize their greater power under the new by-laws.

Chapters gain voting privileges with their fifth member, but must then recruit an additional ten members to obtain an additional vote. This arrangement gives small Chapters somewhat more
contenders in the first election, the following tie-break procedures shall be employed. For subsequent elections the Board is authorized to adopt whatever tie break procedures are deemed suitable.

e.) If only two candidates were on the ballot for that region, they shall draw lots during the first Board meeting to decide between them which will serve for two years and which will serve for one year.

f.) If two candidates tie in a region where more than two candidates are on the ballot, there shall be a recount of weighted chapter votes cast, weighing each vote in proportion to chapter membership.

g.) Re-weighting of regional votes will also be the preferred tie break method in the at-large election.

| Section 3. Removal. Any Director may be removed for cause by a majority of the entire Board of Directors. Directors may also be removed by a weighted ballot vote of two-thirds of the Chapter Representatives. Such a removal vote must be initiated by at least four Chapter Representatives or by a petition signed by fifty Individual Members. | DELETED | See section 10 for new removal procedure. |
